Massachusetts CD 01 Survey Results

Q1 Do you approve or disapprove of President Donald Trump’s job performance?

- Approve ........................................... 7%
- Disapprove .................................... 91%
- Not sure ......................................... 2%

Q2 On September 1st there will be a primary election in Massachusetts for Congress and other important offices. Will you be voting in the Democratic primary or the Republican primary, or will you not be voting in the primary election?

- The Democratic primary .................... 100%
- The Republican primary .................... 0%
- Won’t be voting in the primary ............ 0%

Q3 Do you approve or disapprove of Congressman Richie Neal’s job performance?

- Approve ........................................... 53%
- Disapprove .................................... 12%
- Not sure ......................................... 35%

Q4 Congress is currently considering two proposals regarding $1200 cash payments to people – I’m going to tell you about both of them, and then ask you which one you would prefer. One proposal would give an additional one-time cash payment of $1200 to most people. The second proposal would continue regular cash payments of $1200 to most people until the crisis ends, tied to the unemployment rate in the state. Which one do you prefer?

- Prefer the proposal that would give a one-time cash payment of $1200 to most people ....... 24%
- Prefer the proposal that would continue regular cash payments of $1200 to most people until the crisis ends, tied to the unemployment rate in the state ............ 65%
- Not sure .......................................... 11%

Q5 Your Congressman Richie Neal is up for re-election this year. He has not stated his position on a one time payment vs regular payments throughout the crisis. Would you be more likely to support him if he pushed for a one-time payment of $1200 to most people, or, would you be more likely to support him if he pushed for recurring $1200 payments until the crisis ends, or would it not make a difference to you?

- More likely to support Congressman Neal if he pushed for a one-time payment of $1,200 to most people ........................................ 15%
- More likely to support Congressman Neal if he pushed for recurring $1200 payments until the crisis ends .......................... 40%
- It would not make a difference .................. 39%
- Not sure .......................................... 6%

Q6 The Earned Income Tax Credit (EITC) provides tax refunds to people who do paid work. Do you support or oppose expanding the Earned Income Tax Credit during the pandemic to people who are caring for a family member full-time?

- Support ............................................ 79%
- Oppose .......................................... 6%
- Not sure .......................................... 15%

Q7 If you are a woman, press 1. If a man, press 2.

- Woman ........................................... 58%
- Man ................................................. 42%

Q8 If you are Hispanic or Latino, press 1. If white, press 2. If African-American, press 3. If other, press 4.

- Hispanic or Latino ............................ 12%
- White ............................................. 72%
- African-American ............................ 10%
- Other ............................................ 6%
Q9 If you are 18-45 years old, press 1. If 46-65, press 2. If older than 65, press 3.

18 to 45.................................................. 34%
46 to 65.................................................. 39%
Older than 65 ......................................... 27%

Q10 What is the highest level of education you have received: high school graduate or less, some college but did not finish, 2-year college degree, 4-year college degree, or post-graduate degree?

High school graduate or less...................... 31%
Some college but did not finish.................. 19%
2-year college degree............................... 11%
4-year college degree............................. 21%
Post-graduate degree............................ 18%

Q11 Mode

Landline.............................................. 50%
Text.................................................. 50%
